Voting Manual

Easy Voting Method

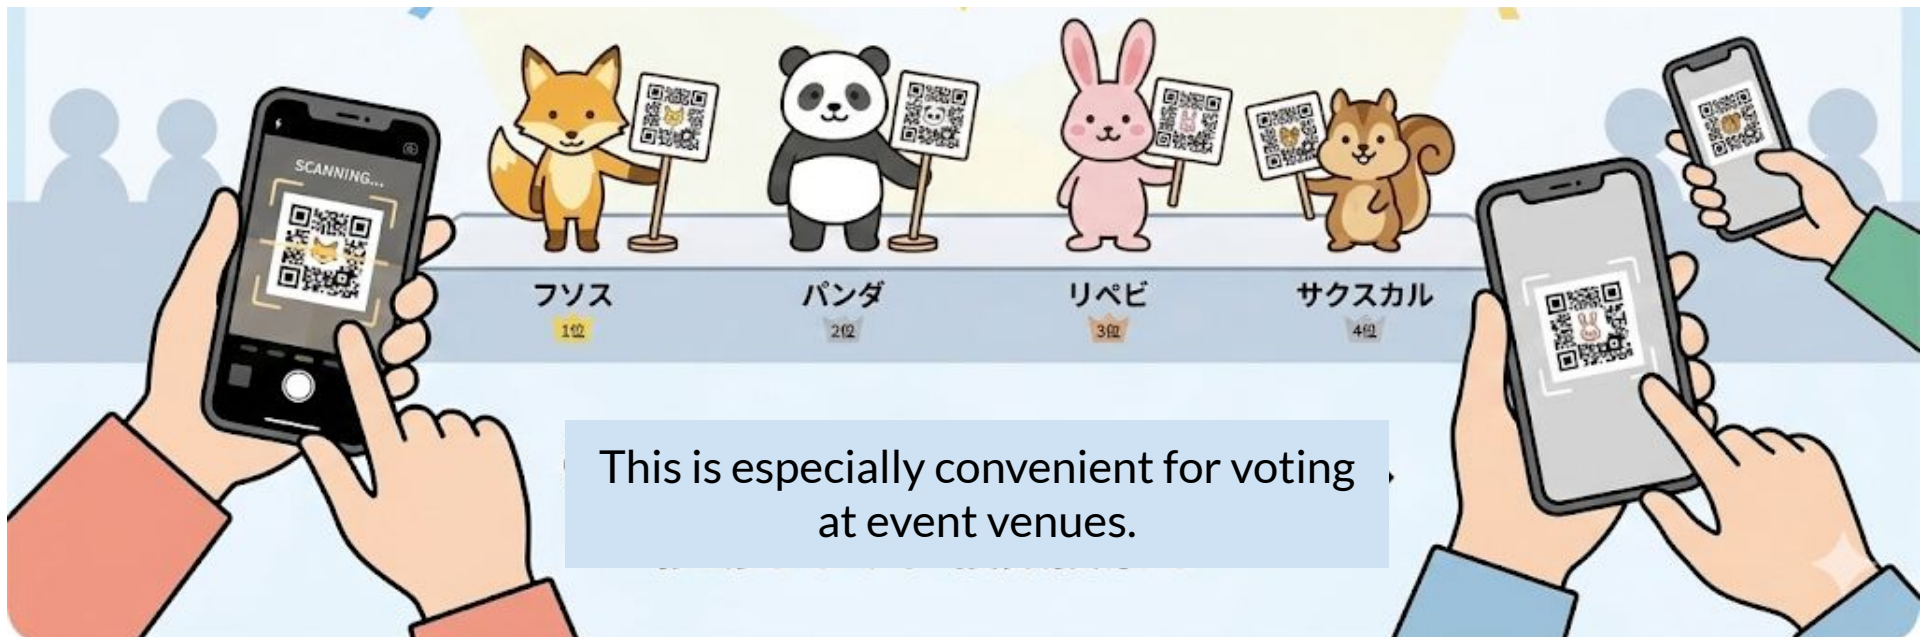

You can support multiple favorite characters by voting for each of them once a day from your smartphone or PC. There is also a feature that allows you to vote for all the characters you have supported before at once.

Easy Voting Method

Vote via QR Code:

Scanning a QR code will take you directly to the voting page for that character.

Easy Voting Method

Vote from a PC:

The PC version provides an easy-to-read layout for checking rankings and other information.

Easy Voting Method

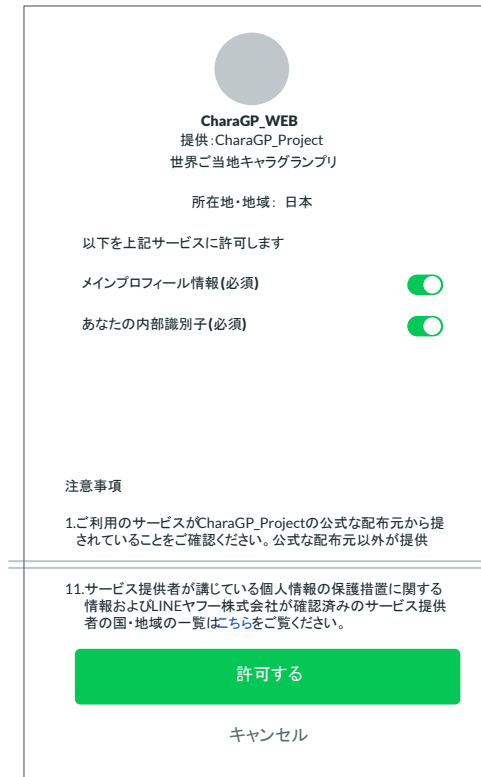

Logging in with a LINE is required to cast your vote. Clicking "Login" will display the LINE login screen.

You will be logged out automatically after a certain period, so please ensure you are logged in when casting your vote.

***Note:** We only collect the identifier issued by LINE. Your personal LINE and other private information will not be shared with the organizers.

When you log in for the first time, a confirmation for service usage will appear. Please select "Allow."

Easy Voting Method

Let's start supporting your favorite characters! Please access the voting page using the following methods.

For Smartphones: Scan this QR code.

If you are using a smartphone, you can also vote directly from a character's individual page by scanning the QR code shown there.

For PCs: Enter the following address into your browser's address bar.
